

CINEMA UNBOUND OUTDOOR MOVIES

JULY 7 - 31, 2022

Have you ever watched *Face/Off* while wearing Nic Cage or John Travolta face masks? When was the last time you told your favorite spooky story to hype yourself up before a screening of *The Babadook*? Or maybe this is your opportunity to fine-tune your Jeff Goldblum impression before watching *Earth Girls Are Easy*.

Want to bring the family? Friday nights are Family Night and will feature FUN for all ages like a BYO stuffed animal sing-along for *Sing 2*. And date nights? Got you. There will be dancing lessons with *Strictly Ballroom*, dress-up nights galore and DJs to make the night more special than sharing a pint of ice cream on the couch (although that is quite nice too)!

The **Cinema Unbound Outdoor Movies** series is back, and we can't wait to experience 16 nights of movie magic with you! Starting on July 7, PAM CUT will again take over OMSI's parking lot not only with food and beverages, but also with some of the most outrageous cult movies, classic cinema, and family favorites. A PAM CUT summer screening will be a complete experience, with giveaways, contests, games, and sing-alongs that make the film come alive in new and exciting ways.
